PAD PRINTING MACHINE

PLUG & PLAY!

Highlights

- Electro-mechanical drive ✓
- Machine table with very large adjustment track ✓
- Simple in the application ✓
- Broad toolless operating ✓
- Energy efficient ✓
- Low maintenance ✓
- Economically priced ✓

"Entrance 90"

A world-first with an unbeatable price performance ratio in its class.

The "Entrance 90" is worldwide the first electro-mechanically driven pad printing machine which is - with regard to the price - in direct competition to pneumatically driven pad printing machines. The machine is universally useable and has the great advantage that it does not require compressed air and therefore can be operated from wherever an electrical outlet is available!

Example for utilization of the large working area:
Printing on the face of a cylinder

Toolless printing pad change

Toolless cliché change

Technical data:

"Entrance 90"		
Item No.		01 00 85
Ink residue pick-up system		non
Single cycle		yes
Multiple printing		yes
Continuous run		yes
Piece counter		yes
Variable speed control		yes
Ink cup/doctoring cup size	Ø mm	90
Variable doctoring contact pressure		no
Cliché size	mm	100 x 215
Print image size max.	Ø mm	85
Variable pad stroke onto workpiece	mm	50-110
Pad stroke onto cliché	mm	-
Pad installation height max.	mm	-
Force of pressure	N	1.200
Drive		electro-mechanical
Connected load	kW	0,5
Power supply	V/phase	230V/1/N/PE
Interface		-
Power frequency	Hz	50-60
Control		MC
Control voltage	V/DC	24
Pre-fuse	A	16
Width	mm	550
Depth	mm	690
Height	mm	1.620
Weight	approx. kg	155

Information:

Special emphasis of the pad printing machine "Entrance 90" focuses on an exceptional large working area (depth 300 mm, height 750 mm); therefore the operator remains flexible in the product diversity of his product parts and can effortlessly print with only one pad printing machine on components of various sizes.

The set-up of the "Entrance 90" is toolless and very simply mechanically adjusted. The operation is extremely simple and graphically based thanks to the control over pictogram in conjunction with a touch-panel.

The "Entrance 90" is a pad printing machine with the smallest market-price in this class with TAMPOPRINT® precision "Made in Germany".
